PERSONAL TRANSCRIPT

Designing and Testing new management
skills for the development of the Waste
Electrical and Electronic Equipment
Recycling and Re-use System in Europe

**1st Edition – National Pilot Training Course for
E-Waste Re-use and Recycling Specialist
160hs – 4 EQF Level**

FRAMEWORK - The personal transcript is a record of learning achievements. It contains information on learners' assessed learning outcomes, units and ECVET points awarded. It also specifies the identity of the learner and the competent institution(s) organized the pilot tested and assessed the knowledge, skills and competence acquired on the basis of the applicable learning agreement. The institution(s) also

complete(s) the document. The personal transcript is a document that belongs to the learner. While the learning agreement describes what the learner is expected to achieve, the personal transcript documents what she/he has achieved. The transcript can also be enclosed as an appendix to the learning agreement
